Tursday May 7	4:30-6	Meet-and-greet	meet the organizers and the other participants on Thursday, May 7th 4:30–6 PM. This meeting is optional, but it is a great opportunity to ask questions about how hackathons proceed, about the three tracks, and about any project ideas you might have.
Friday May 8	**9-10 AM**	**Project descriptions and team assembly**	It is important to join the event on time to hear all the project pitches and assure you can work on the project of your choosing and that suits your abilities and skills.
	10-12:30 PM	Work in groups	Each group will have a designated zoom chat room and designated mentors.
	12:30-1 PM	Scheduled group check-ins	You will have the opportunity to check with your mentors on the project status, ask for help, and modify the scope of the hack.
	1-4 PM	Work in groups	Each group will have a designated zoom chat room and designated mentors.
	4-4:30 PM	Finalize presentations and presentation schedule	Make sure your presentation is ready and sign up for a time slot
	5-6 PM	**Presentations**	Each group will have 5–10 minutes (depending on the number of groups) to present their work and results. Each group will be required to present their work, no exceptions! This is because we want to learn from your work and from what you learned!
